

## **MEDIA CONSENT FORM 2012**

To the parent/guardian,

The Metlink Great Transport Race is a free annual event for year 7-10 students from around Victoria.

Working in teams of four students and one adult, young people explore their local area using trains, trams and buses, visiting pit stops, solving clues and completing fun and unique challenges along the way.

The Metlink Great Transport Race is a great way for students to learn more about their neighbourhood, the benefits of catching public transport and how to travel safely.

Most importantly the Metlink Great Transport Race is a rewarding team building experience.

As part of our aim to promote the Metlink Great Transport Race and sustainable transport in the community, Metlink will be taking digital photographs and video footage of the teams for future promotion of the event. These photos may be used on the Metlink and Metlink Great Transport Race websites, Metlink Great Transport Race Facebook page and promotional material.

Students may also be selected to take part in newspaper photographs, newspaper or radio interviews and TV filming opportunities.

Student engagement with the media is not compulsory, however should you support your child's involvement in media opportunities we will require your written consent.

**Please sign the media release below if you consent to your child's involvement in media opportunities.**
